ARMORY PROCEDURES

Priority for New Students and Special Problems

Newly admitted students who are unable to pre-register and pre-registered students who received less than 9 credit hours will gain priority admission to the Armory. This priority access is designed to: 1) help eliminate the overcrowding in the Armory, 2) enable students who really need courses (new registrants and people with partial schedules) the opportunity to register first, and 3) encourage students to take advantage of pre-registration and thus avoid the necessity of going to the Armory.

SCHEDULE I—Newly admitted, readmitted, and reinstated students
Monday, August 25—8:30 a.m. to 1:30 p.m.

This schedule will apply to newly admitted, readmitted, and reinstated students. Students in this category should report directly to Reckord Armory according to the alphabetic schedule. A Letter of Admissions will permit these students to enter the Armory. Only students who had no opportunity to pre-register may register according to this schedule.

SCHEDULE II—Partially Scheduled Pre-Registrants
Monday, August 25—2:00 p.m. to 6:00 p.m.

This schedule will apply to students who pre-register for more than 8 credit hours but receive 8 or less. Students in this category should report to Ritchie Coliseum according to the alphabetic schedule. The Pre-Registration Schedule Card showing 8 credit hours or less and the Transaction Card Receipt Form will permit these students to enter Ritchie. Once in Ritchie, the student's credit hours will be verified and he will be given his Fall Transaction Card and an Armory Admit Ticket. The Transaction Card and the Armory Admit Ticket will then permit the student to enter Reckord Armory. Excluded from this category are students who requested 8 or less credit hours and receive the number of credit hours they request.

SCHEDULE III—All other students
Tuesday, August 26, 1975—8:30 a.m. to 6:00 p.m.

This schedule will apply to all other students not included in the first two categories. Students who are registered for Spring 1975 but do not pre-register for Fall 1975 will be included in this category. Students under this category should report, according to alphabetic schedule, to Ritchie Coliseum if they pre-registered or to the Armory if they did not pre-register.

OVERDUE STUDENT ACCOUNTS

The State has established, under legislative mandate, a CENTRAL COLLECTIONS UNIT within the Department of Budget and Fiscal Planning. This campus has been instructed that all accounts must be transferred to the State Collections Unit when the accounts become 180 days overdue.

ACCOUNTS DUE FROM STUDENTS ARE INCLUDED WITHIN THESE GUIDELINES.

CANCELLATION OF PRE-REGISTRATION
or
WITHDRAWAL FROM THE UNIVERSITY

If a student pre-registers and subsequently decides not to attend the University, he must either cancel his registration or withdraw from the University. The correct procedure to follow is determined by <u>when</u> the decision not to attend is made.

Prior to the first day of classes students may cancel their registration. If a cancellation is processed prior to the first day of class, the student incurs no financial obligation to the University for the semester. *Failure to cancel pre-registration will result in financial obligation to the University even though the student does not attend classes.*

On or after the first day of classes students must withdraw from the University. While a student who withdraws is entitled to a refund, the amount of the refund is determined by the date the student processes his withdrawal. The chart below will indicate the percentage of tuition refund to which the student who withdraws is entitled. As indicated, it is possible to withdraw and receive no refund.

To Cancel Your Registration (on or before August 26)

1. Your cancellation request must be received in writing by:
   Office of Registration – Rm. 1130, North Administration Bldg.
   University of Maryland, College Park, Maryland 20742

   Since the University can honor only those requests for cancellation which are actually received prior to August 27 it is suggested that **all requests be sent by registered mail.**
2. For additional information concerning cancellations call the Registrations Office, 454-2734.
3. Refer to the chart below for refund information.

To Withdraw from the University (August 27 or later)

1. Go to your Dean or Division Provost to secure the necessary form. Complete the form and hand carry it to Room 1130A, North Administration Building.
2. Withdrawal becomes effective on the date the form is filed with the Office of Registrations.
3. Tuition refunds will be processed upon receipt of the completed Withdrawal Form and after adjustment has been made to the student's account by the Office of Registrations.
4. Refer to the chart below for refund information.
5. Be certain to return all books to the Library, your identification card and your food service identification card to the Office of Registrations, and your room key to the Residence Hall Staff. Also be certain to clear all financial accounts at the Division of Business Services, South Administration Building.

CANCELLATION AND WITHDRAWAL DATES FOR REFUND OF TUITION*

on or before August 26	100%
August 27-September 10	80%
September 11-September 17	60%
September 18-September 24	40%
September 25-October 1	20%
October 2 and after	0%

*Students who have made no payment on their account at the time of withdrawal will be billed according to the above schedule.

REFUND SCHEDULE FOR DROPPING COURSES FULL-TIME UNDERGRADUATES

Full-time undergraduate students do not receive a refund for courses dropped if the total number of credits for which they are registered remains 9 or more.

PRIOR TO THE 1st DAY OF CLASSES (August 25 and 26), if a full-time undergraduate student drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less*, charges for the semester will be assessed on the basis of the per credit hour fee for part-time students.

However, if the student subsequently adds a course or courses, thereby changing the total number of credits for which he is registered to *9 or more*, the student will be billed for the difference between per credit hour fees paid and the general fees for full-time undergraduates.

ON THE 1st DAY OF CLASSES OR LATER (August 27 OR AFTER), if a full-time undergraduate drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less*, charges for the semester will be assessed on the basis of the full-time general fees. That is, there is no refund for changing from full-time to part-time status on the first day of classes or later. If the student has already made payment as a full-time student, no refund will be processed, If the student has not made payment he will be billed for the full-time undergraduate fees.

IN OTHER WORDS, if at any time on or after the first day of classes, a student is registered for *9 credits or more* he will be billed on the basis of the full-time undergraduate fees.

SEPTEMBER 11 AND AFTER — $2.00 fee is assessed for *each* drop processed. (to be billed)

REFUND SCHEDULE FOR DROPPING COURSES GRADUATE STUDENTS AND PART-TIME UNDERGRADUATES

August 25, 26 (prior to 1st day of classes)	100%
August 27-September 3	80%
September 4 and after	0%

SEPTEMBER 11 AND AFTER: $2.00 fee is assessed for *each* drop processed. (to be billed)

UNIVERSITY IDENTIFICATION SYSTEM

TRANSACTION CARDS — All students registered for the Fall 1975 semester will receive new transaction cards. These cards are an indication of current registration with the University, are used as a recording device in the libraries and admit full-time undergraduates to most athletic, social and cultural events on campus. Cards for pre-registered students will be distributed in Ritchie Coliseum during the week of August 25, according to the alphabetic registration schedule. Students must present their University Photo ID Card or some other proof of identity to receive their Transaction Card. Students who register in the Armory will be issued a temporary form of the transaction card which allows those privileges mentioned above and will be replaced by the permanent card approximately two weeks after registration.

Any student with an outstanding debt to the University will be required to present evidence of payment of that debt prior to issuance of the transaction card.

All students should carry this card. It must be presented when making payments to student accounts, as well as other events mentioned above.

PHOTO ID CARDS – Students who currently possess University photo identification cards should continue to use them. New and readmitted students will be issued cards in the Armory during the registration period. The photo card is not validated and serves only as physical identification.

Additional information concerning identification cards may be obtained in the Registrations Office, North Administration Building. (454-2734)

RECLASSIFICATION TO IN-STATE STATUS

The deadline for meeting all requirements for an in-state status and for submitting all documents for reclassification is the last day of late registration for the semester the student wishes to be classified as an in-state student.

DEADLINES

First 1975 Summer Session	May 23, 1975
Second 1975 Summer Session	July 7, 1975
Fall 1975 Semester	September 10, 1975

It is imperative that students who wish to request a review of their eligibility for an in-state classification submit the required documents to the appropriate office as soon as possible. If a large number of students apply for reclassification during registration, the volume of requests may be up to ninety (90) days. Until reclassification is officially granted, a student is required to pay fees and charges based on his previous classification. It is to your advantage to apply early.

Petitions for review of eligibility, related documents and questions concerning the policy of the University of Maryland for the determination of in-state status should be directed to the following offices.

Undergraduates – Admissions Counselor
Office of Admissions
Ground Floor – North Administration Building
454-4137, 4535, 4536, 4537

Graduate Students – Mrs. Lois Lyon

Room 2117 – South Administration Building

REFUND POLICY FOR MATH 001

1. Effective Fall 1975 a part-time *or* full-time undergraduate who drops Math 001 will receive a percentage refund of the $75.00 fee in accordance with the sliding scale printed in the Schedule of Classes under "Refund Schedule for Dropping Courses — Graduate Students and Part-Time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes, and 0% thereafter.

2. A student withdrawing from the University will receive a percentage refund based on the sliding scale printed in this Schedule of Classes under "Cancellation and Withdrawal Dates for Refund of Tuition."

3. Math 001 will still be counted in the determination of hours for full-time or part-time status, notwithstanding the refund policy.

4. *Refunds of the Special Math Fee will not be automatic.* Students who feel they are entitled to a refund should contact the Registrations Office Counter, First Floor Lobby, North Administration Building.

CONTINUOUS REGISTRATION

(Graduate Doctoral Students Only)

Following advancement to candidacy by the Graduate Council for the doctoral degree, every graduate student must register each fall and spring semester until the degree is awarded. Contact the Dean for Graduate Studies and Research for more complete information. (454-5428)

If a student pre-registers and subsequently decides not to attend the University, he must either cancel his registration or withdraw from the University. The correct procedure to follow is determined by <u>when</u> the decision not to attend is made.

Prior to the first day of classes students may cancel their registration. If a cancellation is processed prior to the first day of class, the student incurs no financial obligation to the University for the semester. *Failure to cancel pre-registration will result in financial obligation to the University even though the student does not attend classes.*

On or after the first day of classes students must withdraw from the University. While a student who withdraws is entitled to a refund, the amount of the refund is determined by the date the student processes his withdrawal. The chart below will indicate the percentage of tuition refund to which the student who withdraws is entitled. As indicated, it is possible to withdraw and receive no refund.

To Cancel Your Registration (on or before August 26)

1. Your cancellation request must be received in writing by:
   Office of Registration – Rm. 1130, North Administration Bldg.
   University of Maryland, College Park, Maryland 20742

   Since the University can honor only those requests for cancellation which are actually received prior to August 27 it is suggested that **all requests be sent by registered mail.**
2. For additional information concerning cancellations call the Registrations Office, 454-2734.
3. Refer to the chart below for refund information.

To Withdraw from the University (August 27 or later)

1. Go to your Dean or Division Provost to secure the necessary form. Complete the form and hand carry it to Room 1130A, North Administration Building.
2. Withdrawal becomes effective on the date the form is filed with the Office of Registrations.
3. Tuition refunds will be processed upon receipt of the completed Withdrawal Form and after adjustment has been made to the student's account by the Office of Registrations.
4. Refer to the chart below for refund information.
5. Be certain to return all books to the Library, your identification card and your food service identification card to the Office of Registrations, and your room key to the Residence Hall Staff. Also be certain to clear all financial accounts at the Division of Business Services, South Administration Building.

September 11-September 17	60%
September 18-September 24	40%

REFUND SCHEDULE FOR DROPPING COURSES FULL-TIME UNDERGRADUATES

Full-time undergraduate students do not receive a refund for courses dropped if the total number of credits for which they are registered remains 9 or more.

PRIOR TO THE 1st DAY OF CLASSES (August 25 and 26), if a full-time undergraduate student drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less*, charges for the semester will be assessed on the basis of the per credit hour fee for part-time students.

However, if the student subsequently adds a course or courses, thereby changing the total number of credits for which he is registered to *9 or more*, the student will be billed for the difference between per credit hour fees paid and the general fees for full-time undergraduates.

ON THE 1st DAY OF CLASSES OR LATER (August 27 OR AFTER), if a full-time undergraduate drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less*, charges for the semester will be assessed on the basis of the full-time general fees. That is, there is no refund for changing from full-time to part-time status on the first day of classes or later. If the student has already made payment as a full-time student, no refund will be processed, If the student has not made payment he will be billed for the full-time undergraduate fees.

IN OTHER WORDS, if at any time on or after the first day of classes, a student is registered for *9 credits or more* he will be billed on the basis of the full-time undergraduate fees.

SEPTEMBER 11 AND AFTER — $2.00 fee is assessed for *each* drop processed. (to be billed)

REFUND SCHEDULE FOR DROPPING COURSES GRADUATE STUDENTS AND PART-TIME UNDERGRADUATES

SEPTEMBER 11 AND AFTER: $2.00 fee is assessed for *each* drop processed. (to be billed)

UNIVERSITY IDENTIFICATION SYSTEM

TRANSACTION CARDS — All students registered for the Fall 1975 semester will receive new transaction cards. These cards are an indication of current registration with the University, are used as a recording device in the libraries and admit full-time undergraduates to most athletic, social and cultural events on campus. Cards for pre-registered students will be distributed in Ritchie Coliseum during the week of August 25, according to the alphabetic registration schedule. Students must present their University Photo ID Card or some other proof of identity to receive their Transaction Card. Students who register in the Armory will be issued a temporary form of the transaction card which allows those privileges mentioned above and will be replaced by the permanent card approximately two weeks after registration.

Any student with an outstanding debt to the University will be required to present evidence of payment of that debt prior to issuance of the transaction card.

All students should carry this card. It must be presented when making payments to student accounts, as well as other events mentioned above.

PHOTO ID CARDS – Students who currently possess University photo identification cards should continue to use them. New and readmitted students will be issued cards in the Armory during the registration period. The photo card is not validated and serves only as physical identification.

Additional information concerning identification cards may be obtained in the Registrations Office, North Administration Building. (454-2734)

RECLASSIFICATION TO IN-STATE STATUS

The deadline for meeting all requirements for an in-state status and for submitting all documents for reclassification is the last day of late registration for the semester the student wishes to be classified as an in-state student.

DEADLINES

First 1975 Summer Session	May 23, 1975
Second 1975 Summer Session	July 7, 1975
Fall 1975 Semester	September 10, 1975

It is imperative that students who wish to request a review of their eligibility for an in-state classification submit the required documents to the appropriate office as soon as possible. If a large number of students apply for reclassification during registration, the volume of requests may be up to ninety (90) days. Until reclassification is officially granted, a student is required to pay fees and charges based on his previous classification. It is to your advantage to apply early.

Petitions for review of eligibility, related documents and questions concerning the policy of the University of Maryland for the determination of in-state status should be directed to the following offices.

Undergraduates – Admissions Counselor
Office of Admissions
Ground Floor – North Administration Building
454-4137, 4535, 4536, 4537

Graduate Students – Mrs. Lois Lyon
Graduate Records Office
Room 2117 – South Administration Building
454-5428

REFUND POLICY FOR MATH 001

1. Effective Fall 1975 a part-time *or* full-time undergraduate who drops Math 001 will receive a percentage refund of the $75.00 fee in accordance with the sliding scale printed in the Schedule of Classes under "Refund Schedule for Dropping Courses — Graduate Students and Part-Time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes, and 0% thereafter.

2. A student withdrawing from the University will receive a percentage refund based on the sliding scale printed in this Schedule of Classes under "Cancellation and Withdrawal Dates for Refund of Tuition."

3. Math 001 will still be counted in the determination of hours for full-time or part-time status, notwithstanding the refund policy.

4. *Refunds of the Special Math Fee will not be automatic.* Students who feel they are entitled to a refund should contact the Registrations Office Counter, First Floor Lobby, North Administration Building.

CONTINUOUS REGISTRATION

(Graduate Doctoral Students Only)

Following advancement to candidacy by the Graduate Council for the doctoral degree, every graduate student must register each fall and spring semester until the degree is awarded. Contact the Dean for Graduate Studies and Research for more complete information. (454-5428)

COLLEGE PARK DAY CAMPUS REGISTRATION

PRE-REGISTRATION PROFILE

Schedule Request Form

WHO?

All students registered in courses offered by the University of Maryland College Park Campus (UMCP) for the Spring Semester 1975 who wish to pre-register for courses offered at UMCP during the Fall Semester 1975.

WHEN?

March 31 – Invitation to pre-register postcards will be mailed to eligible students.
Eligible students who do not receive a postcard should call the Registrations Office, 454-5559.

April 8 – Students should begin picking up registration materials at the location indicated on their postcard.

April 17 – Deadline for turning in schedule request form and other registration materials to the location where materials were received.

WHERE?

Distribution:

Registration materials will be distributed by the academic departments; the invitation postcard indicates the department where a student's materials will be located. Distribution timetables may vary according to the department.

Collection:

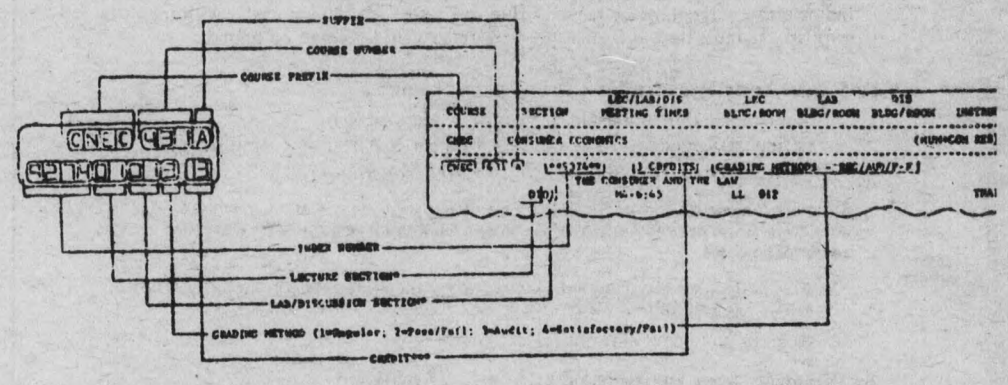
Students should return registration materials to their department.

Academic questions concerning degree requirements, course descriptions, or course prerequisites should be directed to the academic departments, the college deans, or the division provosts. Questions concerning registration materials can be answered by the departments, the deans, the provosts, or the Registrations Office (454-5559).

HOW?

Using a *number two* pencil only, fill in the date, phone (day), birthdate, name, signature, social security number and scheduling method code.

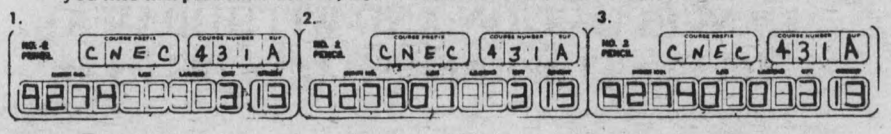
Fill in the course information as specified in each box. You must print the *course prefix*, the *course number*, the *suffix (if applicable)*, the *index number*, the *grading option (OPT) code* and the *credit* for every course requested. This information corresponds to what is printed in the "Course Listing Information" section of this Schedule of Classes:
(OPT) = 1-Regular; 2-Pass/Fail; 3-Audit; 4-Satisfactory/Fail)



***NOTE: If you are taking a course for 10 credits or more, trace the line in the first section of the CREDIT box and fill in the appropriate digit in the second section of the box. If you are taking a course for 9 credits or less, fill in the appropriate digit in the second section of the CREDIT box, leaving the first section blank.

*The LEC (lecture section) and LAB/DIS (lab/discussion section) do not always have to be filled in. In this case, you have three (3) options:

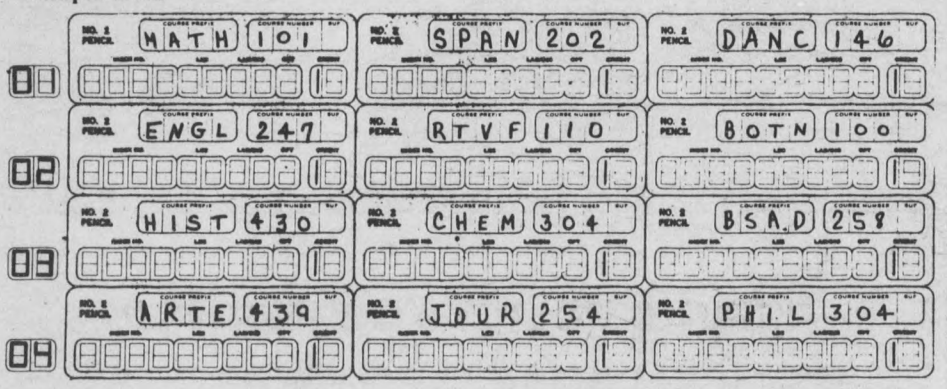
1. If you fill in the index number only, leaving LEC and LAB/DIS blank an attempt will be made to schedule you into that particular course, any available lecture section, any available lab/discussion section.
2. If you fill in the index number and LEC, leaving LAB/DIS blank, an attempt will be made to schedule you into that particular course and lecture section, any available lab/discussion section.
3. If you fill in the index number, LEC and LAB/DIS, an attempt will be made to schedule you into that particular course, lecture section and lab/discussion section.



You have a choice of two (2) Scheduling Methods – Alternate Course or Alternate Program.
Regardless of which method you choose, the registration system will consider *all* courses listed in the primary (A) column first. Alternates will be considered only when primary requests are unavailable. The system will not schedule a time conflict.

Neither method requires you to indicate either first or second alternates. However, it will be to your advantage to supply the system with possible alternatives should your complete primary schedule be unavailable as specified. This will reduce the chance of a partial schedule.

sample form



Under the ALTERNATE COURSE method:

	A	B	C
01	MATH – not available	SPAN – available - scheduled	DANC – not considered
02	ENGL – available - scheduled	RTVF – not considered	BOTN – not considered
03	HIST – not available	CHEM – not available	BSAD – available - scheduled
04	ARTE – available - scheduled	JOUR – not considered	PHIL – not considered

The system will schedule all requests in the primary (A) column which are available

The system will consider requests in the B column only if the A request in that row was not available

The system will consider requests in the C column only if neither the A request nor the B request in that row was available.

For example, final schedule arrived at under this method

	A	B	C	
01		SPAN		SPAN
02	ENGL			ENGL
03			BSAD	BSAD
04	ARTE			ARTE

This method (ALTERNATE COURSE) may schedule a combination of courses requested in different columns.

Under the ALTERNATE PROGRAM method:

The system will consider all requests in the primary (A) column first. If all courses in A are available as requested, the system will schedule column A. Columns B and C will not be considered.

	A	
01	MATH	available
02	ENGL	available
03	HIST	available
04	ARTE	available

→ scheduled

If any of the courses in column A are not available as requested, the system will not schedule any of the courses requested in A.

	A	
01	MATH	not available
02	ENGL	available
03	HIST	available
04	ARTE	available

→ not scheduled

The system will then consider the courses requested in column B. If all courses in B are available as requested, the system will schedule column B. Column C will not be considered.

	B	
01	SPAN	available
02	RTVF	available
03	CHEM	available
04	JOUR	available

→ scheduled

If any of the courses in column B are not available as requested, the system will not schedule any of the courses requested in B.

	B	
01	SPAN	available
02	RTVF	not available
03	CHEM	not available
04	JOUR	available

→ not scheduled

The system will then consider the courses requested in column C. If all courses in C are available as requested, the system will schedule column C.

	C	
01	DANC	available
02	BOTN	available
03	BSAD	available
04	PHIL	available

→ scheduled

If any of the courses in column C are not available as requested, the system will not schedule any of the courses requested in column C.

	C	
01	DANC	not available
02	BOTN	not available
03	BSAD	available
04	PHIL	not available

→ not scheduled

The system will then go back over all 3 columns (A, B, and C) and schedule the one with the greatest number of courses available as requested.

A		B		C	
01	MATH – not available	01	SPAN – available	01	DANC – not available
02	ENGL – available	02	RTVF – not available	02	BOTN – not available
03	HIST – available	03	CHEM – not available	03	BSAD – available
04	ARTE – available	04	JOUR – available	04	PHIL – not available
3 courses available as requested		2 courses available as requested		1 course available as requested	

In this case, the system would schedule a part of column A (courses 02, 03 & 04) because that column contains the greatest number of courses available as requested.

This method (ALTERNATE PROGRAM) will not schedule a combination of courses from different columns. All courses scheduled under this method would have been requested in the same column, either A or B or C.

VETERANS BENEFITS

Students attending the University under the Veteran's Education Assistance Act (Title 38, U.S. Code) who completed Pre-registration will be certified on the basis of pre-registration course requests. This certification should be verified by the student at the Registrations Office, Room 1130, North Administration Building, 9:00 a.m. to 4:00 p.m., Monday through Friday.

ENROLLMENT CERTIFICATION AND VA PAYMENTS

1. How to compute payments based on enrollment status

Undergraduate student enrollment status is based on the number of credits for which the student is registered. Graduate student enrollment status is based on the number of units for which the student is registered. Courses taken as "AUDIT" cannot be counted toward credit for graduate or undergraduate students. Charges are the same for audit and for credit courses.

TABLE FOR COMPUTING GRADUATE UNITS

400-599	4 Units per credit
600-898	6 Units per credit
799 & 899	12 Units per credit

Graduate Students will not be certified for any course below the 400 level unless it is required by their department and a letter stating this is approved by Mr. Seidel in the Graduate School and submitted to the Veteran's Affairs Office when registering.

2. Table for payment during the Fall and Spring Semesters

Credits for Undergraduates	*Units for Graduate Students*	*Status*	*Table of VA Fees for Undergraduate & Graduate* Single	Married	1 Child	Other
12 or more	48	Full time	$270	$321	$366	$22
9-11	36	¾ time	203	240	275	17
6-8	24	½ time	135	160	182	11
5 and under	12	¼ time	TUITION ONLY			

3. Graduate Assistants

Graduate students who are graduate assistants will be certified full time if their assistantship is confirmed in writing by Graduate School and they are taking 24 units. This must be done each semester. Please note . . . the Veterans Administrations' definition of "full time" for Graduate Assistants differs from the University of Maryland definition and should be used only for VA purposes.

VETERANS COUNSELING

Under a new program, three Veterans Administration counselors, David L. Dahlheimer, C. B. Fountain, and David M. Rhoads, now work on campus full time to assist veterans, their dependents, and servicemen with all VA related questions and problems. These representatives can offer you help in getting your monthly educational assistance checks as well as other less well known but available benefits.

The counselors are available on a walk-in basis during normal office hours in Rooms 1130 or 2107 North Administration Building (454-5276 and 454-5734).

VETERANS COUNSELING

Under a new program, three Veterans Administration counselors, David L. Dahlheimer, C. B. Fountain, and David M. Rhoads, now work on campus full time to assist veterans, their dependents, and servicemen with all VA related questions and problems. These representatives can offer you help in getting your monthly educational assistance checks as well as other less well known but available benefits.

The counselors are available on a walk-in basis during normal office hours in Rooms 1130 or 2107 North Administration Building (454-5276 and 454-5734).

FEES AND EXPENSES

Registration is not complete or official until all financial obligations are satisfied. Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, starting with an estimated bill approximately one month prior to registration, it cannot assume responsibility for their receipt. If any student does not receive a bill before or shortly after the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 9:00 a.m. and 4:00 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students may be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to pre-register or register for subsequent semesters until the debt is cleared. In the event of actual registration in a subsequent semester by a severed student who had not settled his student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of this account.

AN IMPORTANT FEE NOTICE –
Although changes in fees and charges ordinarily will be announced in advance, the University reserves the right to make such changes without prior announcement.

EXPLANATION OF FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and/or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

OTHER FEES

Application Fee: $15.00
Pre-College Orientation Program Registration Fee: $26.00 (two day program)
$14.00 (one day program)

Registration Fee: Charged as a separate fee for all registrants except full-time undergraduates.

Late Application Fee: $25.00

Room Deposit Fee: payable upon application for dormitory room: $50.00 (To be deducted from the second semester room charges at or after registration.)

Student Health Fee: all full-time students, every semester — $10.00; all part-time students, every semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Vehicle Registration Fee: $12.00 for first vehicle and $3.00 for each additional vehicle in accordance with published regulations. Payable each academic year by all students registered for classes on the College Park Campus and who drive on campus. For cars registered for the spring semester only the fee is $6.00 on the first car and $3.00 for each additional vehicle.

Special Fee for students requiring additional preparation in Mathematics (MATH 001): $75.00 Required of students whose curriculum calls for Math 110 or 115 and who fail in qualifying examinations for these courses. Students enrolled in this course and concurrently for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. The $75.00 will be added to normal full-time charges and part-time charges. Students with financial aid may request to have this fee waived.

Fees for Auditors and courses taken for audit are the same as those charged for courses taken for credit to determine whether or not an undergraduate student is full-time or part-time for fee assessment purposes.

Special Students are assessed fees in accordance with the schedule for the comparable undergraduate classification.

Late Registration Fee: $20.00. All students are expected to complete their registration, including the filing of Schedule Adjustment Forms on the regular registration days. Those who do not complete their registration during the prescribed days must pay this fee. Registration is not completed until all fees, including outstanding SAR (Student Accounts Receivable) balances have been paid in full. Any payment which is insufficient to discharge the existing balance plus new fees leaves tuition unpaid and registration incomplete. The $20 late fee will therefore be applied to all students who register and who have an outstanding indebtedness to the University.

Withdrawal or Refund of Fees: Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Full-time students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable*
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

No part of the charges for room and board is refundable except when the student officially withdraws from the University or when he is given permission by the appropriate officials of the University to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the room refund will be computed by deducting a $20.00 service charge and then multiplying the number of periods remaining times the pro rate weekly rate. Refunds to students having full board contracts will be calculated in a similar manner. No room and/or board refunds will be made after the fourteenth week of the semester.

The Food Service Identification Cards (FSID) must be surrendered to the Office of Registrations before any refund will be processed.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given a refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applied to full-time students who are drafted into the Armed Services or called up as Reservists.

Property Damage Charge: Students will be charged for damage to property or equipment. Where responsibility for the damage can be fixed, the individual student will be billed for it; where responsibility cannot be fixed, the cost of repairing the damage or replacing equipment will be prorated, among the individuals involved.

Service Charges for Dishonored Checks: Payable for each check which is returned unpaid by the drawee bank on initial presentation because of insufficient funds, payment stopped, post-dating drawn against uncollected items, etc.
For checks up to $50.00: $5.00
For checks from $50.01 to $100.00: $10.00
For checks over $100.00: $20.00

Library Charges: $ .25 – Fine for failure to return a book from General Library before expiration of loan period; per day. Fine for failure to return book from Reserve Shelf before expiration of loan period: First hour overdue on first day: $1.00; after first hour on first day: $2.00; each additional day: $2.00. In case of loss or mutilation of a book, satisfactory restitution must be made.

Motor Vehicle Penalties: These are described in Traffic Rules & Regulations.

Textbooks and Supplies: Textbooks and classroom supplies vary with the course pursued, but will average $85.00 per semester.

Payment of Fees: all checks, money orders, or postal notes should be made payable to the University of Maryland. The student's social security number must be written on the front of the check.

Change of Registration Fee: $2.00 for each course dropped or added after the Schedule Adjustment Period.

Special Examination Fee: $30.00 per course for full-time students; the part-time credit hour charge for part-time students. (see part-time credit charges on page 8).

Cooperative Education Program in Liberal Arts and Business (CO-OP 208-209): $30.00 each

Engineering COOP Program (ENCO 408-409): $30.00 each

Transcript of Record Fee: $2.00 each copy

FMCD 344 Fee: $60.00 in addition to course charges. There is also a $5.00 per week room charge for students not living in campus housing.

REMISSION OF FEES FOR FACULTY AND STAFF

Every semester an approved Authorization for Remission of Fees form must be turned in to the College Park Budget Office (Room 1133, Main Administration Building) in order to receive credit on the student bill for courses taken by faculty and staff members. Usually the authorizing department will forward this form directly to the Budget Office. Each faculty and staff member should check with his department to ascertain that the proper forms have been submitted.

Published deadlines and procedures for admission, readmission or reinstatement, and registration apply to University faculty and staff who wish to take courses.

Questions regarding admissions? Contact Admissions Office, 454-5550.

Questions regarding registrations? Contact Registrations Office, 454-5559.

STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to *maintain* a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

FEES AND EXPENSES

Registration is not complete or official until all financial obligations are satisfied. Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, starting with an estimated bill approximately one month prior to registration, it cannot assume responsibility for their receipt. If any student does not receive a bill before or shortly after the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 9:00 a.m. and 4:00 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students may be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to pre-register or register for subsequent semesters until the debt is cleared. In the event of actual registration in a subsequent semester by a severed student who had not settled his student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of this account.

AN IMPORTANT FEE NOTICE –

Although changes in fees and charges ordinarily will be announced in advance, the University reserves the right to make such changes without prior announcement.

EXPLANATION OF FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and/or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

OTHER FEES

Application Fee: $15.00
Pre-College Orientation Program Registration Fee: $26.00 (two day program)
$14.00 (one day program)

Registration Fee: Charged as a separate fee for all registrants except full-time undergraduates.

Late Application Fee: $25.00

Room Deposit Fee: payable upon application for dormitory room: $50.00 (To be deducted from the second semester room charges at or after registration.)

Student Health Fee: all full-time students, every semester — $10.00; all part-time students, every semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Vehicle Registration Fee: $12.00 for first vehicle and $3.00 for each additional vehicle in accordance with published regulations. Payable each academic year by all students registered for classes on the College Park Campus and who drive on campus. For cars registered for the spring semester only the fee is $6.00 on the first car and $3.00 for each additional vehicle.

Special Fee for students requiring additional preparation in Mathematics (MATH 001): $75.00 Required of students whose curriculum calls for Math 110 or 115 and who fail in qualifying examinations for these courses. Students enrolled in this course and concurrently for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. The $75.00 will be added to normal full-time charges and part-time charges. Students with financial aid may request to have this fee waived.

Fees for Auditors and courses taken for audit are the same as those charged for courses taken for credit to determine whether or not an undergraduate student is full-time or part-time for fee assessment purposes.

Special Students are assessed fees in accordance with the schedule for the comparable undergraduate classification.

Late Registration Fee: $20.00. All students are expected to complete their registration, including the filing of Schedule Adjustment Forms on the regular registration days. Those who do not complete their registration during the prescribed days must pay this fee. Registration is not completed until all fees, including outstanding SAR (Student Accounts Receivable) balances have been paid in full. Any payment which is insufficient to discharge the existing balance plus new fees leaves tuition unpaid and registration incomplete. The $20 late fee will therefore be applied to all students who register and who have an outstanding indebtedness to the University.

Withdrawal or Refund of Fees: Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Full-time students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable*
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

No part of the charges for room and board is refundable except when the student officially withdraws from the University or when he is given permission by the appropriate officials of the University to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the room refund will be computed by deducting a $20.00 service charge and then multiplying the number of periods remaining times the pro rate weekly rate. Refunds to students having full board contracts will be calculated in a similar manner. No room and/or board refunds will be made after the fourteenth week of the semester.

The Food Service Identification Cards (FSID) must be surrendered to the Office of Registrations before any refund will be processed.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given a refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applied to full-time students who are drafted into the Armed Services or called up as Reservists.

Property Damage Charge: Students will be charged for damage to property or equipment. Where responsibility for the damage can be fixed, the individual student will be billed for it; where responsibility cannot be fixed, the cost of repairing the damage or replacing equipment will be prorated, among the individuals involved.

Service Charges for Dishonored Checks: Payable for each check which is returned unpaid by the drawee bank on initial presentation because of insufficient funds, payment stopped, post-dating drawn against uncollected items, etc.
For checks up to $50.00: $5.00
For checks from $50.01 to $100.00: $10.00
For checks over $100.00: $20.00

Library Charges: $ .25 – Fine for failure to return a book from General Library before expiration of loan period; per day. Fine for failure to return book from Reserve Shelf before expiration of loan period: First hour overdue on first day: $1.00; after first hour on first day: $2.00; each additional day: $2.00. In case of loss or mutilation of a book, satisfactory restitution must be made.

Motor Vehicle Penalties: These are described in Traffic Rules & Regulations.

Textbooks and Supplies: Textbooks and classroom supplies vary with the course pursued, but will average $85.00 per semester.

Payment of Fees: all checks, money orders, or postal notes should be made payable to the University of Maryland. The student's social security number must be written on the front of the check.

Change of Registration Fee: $2.00 for each course dropped or added after the Schedule Adjustment Period.

Special Examination Fee: $30.00 per course for full-time students; the part-time credit hour charge for part-time students. (see part-time credit charges on page 8).

Cooperative Education Program in Liberal Arts and Business (CO-OP 208-209): $30.00 each

Engineering COOP Program (ENCO 408-409): $30.00 each

Transcript of Record Fee: $2.00 each copy

FMCD 344 Fee: $60.00 in addition to course charges. There is also a $5.00 per week room charge for students not living in campus housing.

REMISSION OF FEES FOR FACULTY AND STAFF

Every semester an approved Authorization for Remission of Fees form must be turned in to the College Park Budget Office (Room 1133, Main Administration Building) in order to receive credit on the student bill for courses taken by faculty and staff members. Usually the authorizing department will forward this form directly to the Budget Office. Each faculty and staff member should check with his department to ascertain that the proper forms have been submitted.

Published deadlines and procedures for admission, readmission or reinstatement, and registration apply to University faculty and staff who wish to take courses.

Questions regarding admissions? Contact Admissions Office, 454-5550.

Questions regarding registrations? Contact Registrations Office, 454-5559.

STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to *maintain* a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

FEES AND EXPENSES

Registration is not complete or official until all financial obligations are satisfied. Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, starting with an estimated bill approximately one month prior to registration, it cannot assume responsibility for their receipt. If any student does not receive a bill before or shortly after the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 9:00 a.m. and 4:00 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students may be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to pre-register or register for subsequent semesters until the debt is cleared. In the event of actual registration in a subsequent semester by a severed student who had not settled his student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of this account.

AN IMPORTANT FEE NOTICE –

Although changes in fees and charges ordinarily will be announced in advance, the University reserves the right to make such changes without prior announcement.

EXPLANATION OF FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and/or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

OTHER FEES

Application Fee: $15.00
Pre-College Orientation Program Registration Fee: $26.00 (two day program)
$14.00 (one day program)

Registration Fee: Charged as a separate fee for all registrants except full-time undergraduates.

Late Application Fee: $25.00

Room Deposit Fee: payable upon application for dormitory room: $50.00 (To be deducted from the second semester room charges at or after registration.)

Student Health Fee: all full-time students, every semester — $10.00; all part-time students, every semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Vehicle Registration Fee: $12.00 for first vehicle and $3.00 for each additional vehicle in accordance with published regulations. Payable each academic year by all students registered for classes on the College Park Campus and who drive on campus. For cars registered for the spring semester only the fee is $6.00 on the first car and $3.00 for each additional vehicle.

Special Fee for students requiring additional preparation in Mathematics (MATH 001): $75.00 Required of students whose curriculum calls for Math 110 or 115 and who fail in qualifying examinations for these courses. Students enrolled in this course and concurrently for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. The $75.00 will be added to normal full-time charges and part-time charges. Students with financial aid may request to have this fee waived.

Fees for Auditors and courses taken for audit are the same as those charged for courses taken for credit to determine whether or not an undergraduate student is full-time or part-time for fee assessment purposes.

Special Students are assessed fees in accordance with the schedule for the comparable undergraduate classification.

Late Registration Fee: $20.00. All students are expected to complete their registration, including the filing of Schedule Adjustment Forms on the regular registration days. Those who do not complete their registration during the prescribed days must pay this fee. Registration is not completed until all fees, including outstanding SAR (Student Accounts Receivable) balances have been paid in full. Any payment which is insufficient to discharge the existing balance plus new fees leaves tuition unpaid and registration incomplete. The $20 late fee will therefore be applied to all students who register and who have an outstanding indebtedness to the University.

Withdrawal or Refund of Fees: Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Full-time students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable*
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

No part of the charges for room and board is refundable except when the student officially withdraws from the University or when he is given permission by the appropriate officials of the University to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the room refund will be computed by deducting a $20.00 service charge and then multiplying the number of periods remaining times the pro rate weekly rate. Refunds to students having full board contracts will be calculated in a similar manner. No room and/or board refunds will be made after the fourteenth week of the semester.

The Food Service Identification Cards (FSID) must be surrendered to the Office of Registrations before any refund will be processed.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given a refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applied to full-time students who are drafted into the Armed Services or called up as Reservists.

Property Damage Charge: Students will be charged for damage to property or equipment. Where responsibility for the damage can be fixed, the individual student will be billed for it; where responsibility cannot be fixed, the cost of repairing the damage or replacing equipment will be prorated, among the individuals involved.

Service Charges for Dishonored Checks: Payable for each check which is returned unpaid by the drawee bank on initial presentation because of insufficient funds, payment stopped, post-dating drawn against uncollected items, etc.
For checks up to $50.00: $5.00
For checks from $50.01 to $100.00: $10.00
For checks over $100.00: $20.00

Library Charges: $ .25 – Fine for failure to return a book from General Library before expiration of loan period; per day. Fine for failure to return book from Reserve Shelf before expiration of loan period: First hour overdue on first day: $1.00; after first hour on first day: $2.00; each additional day: $2.00. In case of loss or mutilation of a book, satisfactory restitution must be made.

Motor Vehicle Penalties: These are described in Traffic Rules & Regulations.

Textbooks and Supplies: Textbooks and classroom supplies vary with the course pursued, but will average $85.00 per semester.

Payment of Fees: all checks, money orders, or postal notes should be made payable to the University of Maryland. The student's social security number must be written on the front of the check.

Change of Registration Fee: $2.00 for each course dropped or added after the Schedule Adjustment Period.

Special Examination Fee: $30.00 per course for full-time students; the part-time credit hour charge for part-time students. (see part-time credit charges on page 8).

Cooperative Education Program in Liberal Arts and Business (CO-OP 208-209): $30.00 each

Engineering COOP Program (ENCO 408-409): $30.00 each

Transcript of Record Fee: $2.00 each copy

FMCD 344 Fee: $60.00 in addition to course charges. There is also a $5.00 per week room charge for students not living in campus housing.

REMISSION OF FEES FOR FACULTY AND STAFF

Every semester an approved Authorization for Remission of Fees form must be turned in to the College Park Budget Office (Room 1133, Main Administration Building) in order to receive credit on the student bill for courses taken by faculty and staff members. Usually the authorizing department will forward this form directly to the Budget Office. Each faculty and staff member should check with his department to ascertain that the proper forms have been submitted.

Published deadlines and procedures for admission, readmission or reinstatement, and registration apply to University faculty and staff who wish to take courses.

Questions regarding admissions? Contact Admissions Office, 454-5550.

Questions regarding registrations? Contact Registrations Office, 454-5559.

STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to *maintain* a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GENERAL ACADEMIC INFORMATION

The changes in academic information described on the following pages became effective August 1973 and are applicable only to course work for August 1973 and after.

NEW REQUIREMENTS FOR RETENTION AND GRADUATION

1. A minimum of 120 credits of successfully completed (not I, F, or W) course credits are required for graduation in any degree curriculum. Credits transferred, or earned during prior admissions terminating in academic dismissal or withdrawal and followed by readmission, will be applicable toward meeting credit requirements for a degree.
2. A full-time student will be placed on academic probation at the end of any semester in which he does not achieve a total of 24 quality points for that semester. An exception to this rule will be made for full-time students registered for less than 12 credits at the end of the Schedule Adjustment Period who will be required to earn: 18 quality points if he is registered for 9 credits, 20 quality points if he is registered for 10 credits, and 22 quality points if he is registered for 11 credits.
   Exceptions are also allowed for all full-time students in their first semester of registration on the College Park Campus, who must earn at least 18 quality points for that semester. This exception does not apply to students who have earned more than 8 credits through previous registration in the University.
3. Any student, full- or part-time, who fails to maintain a minimum *cumulative* average of 1.95 at the end of any semester following that in which the total of credits completed at the College Park Campus (with grades of A, B, C, D, P, S, or F), plus any credits transferred, is 45 credits, will be placed on academic probation. Credits completed with grades of A, B, C, D, and F, but not S, P, or I will be used in the computation of the cumulative average.
4. A student who does not meet the academic standards for any given semester will be placed on probation and must display acceptable performance in quality points and cumulative average (if applicable) during the next semester in order to regain good academic standing. A student will be dismissed at the end of the second consecutive, or fourth total, semester of unacceptable performance. Courses for which the mark "W" is recorded are excluded from computations of quality point and cumulative average totals at the end of the semester. However, such courses remain in computation of the minimum quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
5. A student who has been academically dismissed and who is reinstated, will be academically dismissed again if he does not meet the academic standards for any two additional semesters after his return. In the computation of his cumulative average after return, all credits earned at the University of Maryland will be used.
6. When a student is placed on academic probation or is academically dismissed, the action shall be entered on the student's official and permanent record.
7. Any course may be repeated, but if a student repeats a course in which he has already earned a mark of A, B, C, D, P or S, the subsequent attempt shall not increase the total hours earned toward the degree. Only the higher mark will be used in computation of the student's cumulative average. However, the student's quality points in a given semester shall be determined by that semester's grades.
8. Any appeal from the regulations governing academic probation or academic dismissal shall be directed to the Petition Board, which shall be empowered to grant relief in unusual cases, if the circumstances warrant such action.

MARKING SYSTEM

1. The following symbols are used on the student's permanent record for all courses in which he is enrolled after the initial registration and schedule adjustment period: A, B, C, D, F, I, P, S, and W. These marks remain as part of the student's permanent record and may only be changed by the original instructor on certification, approved by the department chairman and Divisional Officer, that an actual mistake was made in determining or recording the grade.
2. The *mark of A* denotes excellent mastery of the subject. It denotes outstanding scholarship. In computations of cumulative or semester averages, a mark of A will be assigned a value of 4 quality points per credit hour.
3. The *mark of B* denotes good mastery of the subject. It denotes good scholarship. In computation of cumulative or semester averages a mark of B will be assigned 3 quality points per credit hour.
4. The *mark of C* denotes acceptable mastery. It denotes the usual achievement expected. In computation of cumulative or semester averages a mark of C will be assigned a value of 2 quality points per credit hour.
5. The *mark of D* denotes borderline understanding of the subject. It denotes marginal performance, and it does not represent satisfactory progress toward a degree. In computations of cumulative or semester averages a mark of D will be assigned a value of 1 quality point per credit hour.
6. The *mark of F* denotes failure to understand the subject. It denotes unsatisfactory performance. In computations of cumulative or semester averages a mark of F will be assigned a value of 0 quality points per credit hour.
7. The *mark of P* is a student option mark, equivalent to A, B, C, or D. (See PASS-FAIL option). The student must inform the Office of Registrations of his selection of this option by the end of the schedule adjustment period. In computation of cumulative averages a mark of P will not be included. In computation of quality points achieved for a semester, a mark of P will be assigned a value of 2 quality points per credit hour.
8. The *mark of S* is a department option mark which may be used to denote satisfactory participation by a student in progressing thesis projects, orientation courses, practice teaching and the like. In computation of cumulative averages a mark of S will not be included. In computation of quality points achieved for a semester, a mark of S will be assigned a value of 2 quality points per credit hour.
9. The *mark I* is an exceptional mark which is an instructor option. It is given only to a student whose work in a course has been qualitatively satisfactory, when, because of illness or other circumstances beyond his control, he has been unable to complete some small portion of the work of the course. In no case will the mark I be recorded for a student who has not completed the major portion of the work of the course. The student will remove the I by completing work assigned by the instructor, it is the student's responsibility to request arrangements for completion of the work. The work must be completed by the end of the next semester in which the course is again offered and in which the student is in attendance at the College Park Campus; otherwise the I becomes terminal (equivalent to W). Exceptions to the time period cited above may be granted by the student's Dean or Divisional Officer upon the written request of the student if circumstances warrant further delay. If the instructor is unavailable, the department chairman will, upon request of the student, make appropriate arrangements for the sudent to complete the course requirements. It is the responsibility of the instructor or department chairman concerned to return the appropriate supplementary grade report to the Office of Registrations promptly upon completion of the work. The I cannot be removed through registration for the course or through the technique of "credit by examination". In any event this mark shall not be used in any computations.
10. The *mark W* is used to denote that the student withdrew from a course in which he was enrolled at the end of the Schedule Adjustment Period. For information and completeness, the mark "W" is placed on the permanent record by the Registrations Office. This mark shall not be used in any computation of quality point or cumulative average totals at the end of the semester. However, this mark does not change the minimum number of quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
11. *Audit.* A student may register to audit a course or courses in which space is available. The notation AUD will be placed on his transcript for each course audited. A notation to the effect that this symbol does not imply attendance or any other effort in the course will be included on the transcript in the explanation of the grading system.

CREDIT BY EXAMINATION FOR UNDERGRADUATE STUDIES

The following statement was approved by the Board of Regents January 1974.)

1. Credit may be earned by examination for any undergraduate course, for which a suitable examination has been adopted or prepared by the department granting the credit. When standardized CLEP (College Level Examination Program) examinations are available they may be used.
2. Any student may take a course by examination by obtaining an application form from Dr. Helen Clarke (Room 3151, Undergraduate Library) paying the requisite fees, and taking the examination at a time mutually agreeable to the student and the department offering the course.
3. The applicant must be formally admitted to the University of Maryland. Posting of credit, however, will be delayed until the student is registered.
4. Application for credit by examination is equivalent to registration for a course; however, the following conditions apply:
   A. A student may cancel his application at any time prior to completion of the examination with no entry on his permanent record. (Equivalent to the schedule adjustment period.)
   B. The instructor makes the results of the examination available to the student prior to formal submission of the grade. Before formal submission of the grade, a student may elect not to have this grade recorded. In this case a symbol of "W" is recorded. (Equivalent to the drop procedure.)
   C. No course may be attempted more than twice.
   D. The instructor must certify on the report of the examination submitted to the Registrations Office that copies of the examination questions or identifying information in the case of standardized examinations, and the student's answers have been filed with the Chairman of the department offering the course.
5. Letter grades earned on examinations to establish credit (if accepted by the student) are entered on the student's transcript and used in computing his cumulative grade point average. A student may elect to take an examination for credit on a "Pass-Fail" basis under the normal "Pass-Fail" regulations.
6. Undergraduate students may earn by examination no more than half the credits required for the degree.
7. Fees for Credit by Examination:
   A. Fees for CLEP (College-Level-Examination-Program) and other standardized examinations.
      (a) Fees for these examinations are determined externally and are not altered by the University. Credits earned by taking such examinations are treated as transfer credits.
   B. Fees for University administered examinations to establish credit.
      (1) Full-time students are charged $30.00 for each course examination regardless of the number of credits. This fee is paid upon application for the examination and is not refundable regardless of whether or not the student completes the examination.
      (2) Part-time students are charged in the same cost-per-credit-hour basis as through they were taking the course in the regular manner.

PASS-FAIL OPTION DEFINED UNDERGRADUATE

1. An undergraduate who has completed 15 or more credit hours at the College Park Campus and has a cumulative average of at least 2.00 may register for courses on the PASS-FAIL option during any semester or summer session.
2. Certain divisional requirements, major requirements or field of concentration requirements do not allow the use of the PASS-FAIL option. Certain courses within a department may be designated by that department as not available under the PASS-FAIL option. It is the responsibility of each student electing this option to ascertain in conjunction with his Provost, Dean, department or major advisor, whether the particular courses will be applicable to his degree requirements under the PASS-FAIL option.
3. No more than 20 percent of the credits offered toward the degree may be taken on the PASS-FAIL option basis.
4. Students registering for a course under the PASS-FAIL option are required to complete all regular course requirements. Their work will be evaluated by the instructor by the normal procedure for letter grades. The instructor will submit the normal grade. The grades A, B, C, or D will automatically be converted by the Office of Registrations to the grade P on the student's permanent record. In computation of cumulative averages a mark P will not be included. In computation of quality points achieved for a semester a mark of P will be assigned a value of 2 quality points per credit hour. The grade F will remain as given. The choice of grading option may be changed only during the schedule adjustment period for courses in which the student is currently registered.

GRADUATE – Not eligible for the PASS-FAIL grading option.

SUMMARY OF MAJOR ACADEMIC CHANGES

Effective August 1973

1. **New General University Requirements** replace General Education Requirements. Students enrolled prior to August 1973 may choose which set of requirements will be used for a degree. New "Grading/Retention System" replaces old "Minimum Requirements for Retention". All students came under the new retention system beginning August 1973.

2. **The schedule adjustment period** will be the first 10 days of classes. During this period students may drop or add courses. Courses dropped during this period will not appear on the student's permanent record. After this schedule adjustment period, the student's status will be considered as full-time if the number of credit hours for which he is enrolled at this time is 9 or more.

3. **Drop period.** Extended to 10 weeks. Drops processed after the Schedule Adjustment Period but within the 10 week drop period will NOT change the total number of quality points a student is required to achieve at the end of the semester. Such drops will NOT change official status from full-time to part-time. A grade of "W" will appear on the permanent record for courses dropped during this period. Students who drop courses during this period will be placed on academic probation and dismissal if they fail to achieve the minimum number of quality points determined by their registration at the end of the schedule adjustment period.

4. **Probation:** A full-time student must achieve 18 quality points in his first semester or he will be placed on academic probation. In subsequent semesters a full-time student must achieve quality points based upon the following schedule: 9 credits requires 18 quality points; 10 credits requires 20 quality points; 11 credits requires 22 quality points; 12 credits or more requires 24 quality points.

   Any student, full or part-time, who fails to maintain a minimum cumulative average of 1.95 at the end of any semester following that in which the total of credits completed at College Park, plus any credits transferred, is 45 credits will be placed on academic probation. (The 45 hours will include transfer hours *plus* hours for all courses with final grades, but *minus* hours for courses declared "Non-applicable" and hours for repeated courses.)

5. **Dismissal:** Under the new Retention Plan, two consecutive citations of probation result in dismissal, and four non-consecutive citations result in dismissal. Probation citations incurred *before* September 1973 do NOT count towards the two consecutive or four total under the new Plan.

6. **Repeated Courses:** The new Retention Plan provides that when a student repeats a course, only the highest grade will be used in computation of the student's cumulative average (but the student's quality points in a given *semester* will be determined by that semester's grades). This principle applies to grades achieved *after* September 1973. All values of grades achieved before September 1973 will be kept in the calculation and have an effect.

7. **Transfer between Programs:** A student who is eligible to remain at the College Park Campus may transfer among curricula, colleges, divisions, or other academic units except where limitations on enrollments have been approved by the Board of Regents.

In all cases of transfer between units, the Dean or Provost of the receiving unit, with the concurrence of the student, may declare which courses, if any, in the student's previous academic program are not applicable to his new program. Deletions may occur both in credits attempted and correspondingly in credits earned. This evaluation shall be made upon the student's initial entry into a new program, not thereafter.

IMPORTANT NOTICE
A&S Students

Effective with the Campus reorganization, July 1, 1973, the bulk of the student academic records which were formerly maintained by the Office of the Dean, College of Arts & Sciences (Room 1120, Francis Scott Key Hall) have been *transferred* to the office of the Division now administering those students' major departments. See below for the locations of the various Division offices. Students who have not yet declared a major, and those who have indicated a curricular choice (but no other major) in Pre-Dentistry, Pre-Law or Pre-Medicine have had their records sent to the General Undergraduate Advisement Office, Rm. 3151 Undergraduate Library. The records of students majoring in departments under the aegis of the Division of Arts and Humanities will remain in Rm. 1120, Francis Scott Key.

Students thus affected should go to the Office of the Provost of their Division or, where appropriate, to the General Undergraduate Advisement Office to transact such academic matters as: schedule adjustment (drop or add) after the stated deadlines; transfer credit evaluation; discussion of requirements for a degree; permission letters to take courses at another Campus or university; letters of recommendation, etc.

In all cases students who were in the College of Arts & Sciences at the time of the transition may continue seeking a degree from the College of Arts & Sciences or may change to a degree from the Division. To determine eligibility for either degree, students should consult their Divisional representative. Students should indicate their choice of degree when filing their applications for diplomas.

If questions arise concerning where your academic records are now located, please consult your Division Office or the General Undergraduate Advisement Office, Rm. 3151 Undergraduate Library, Ext. 2733 or 3040.

GENERAL REQUIREMENTS

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS (NEW)

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

I. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (see PASS-FAIL OPTION DEFINED).

Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences; Mathematical & Physical Sciences & Engineering.

Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences; Human and Community Resources.

Area C: 6-12 hours in the Division of Arts & Humanities.

In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.

II. Demonstration of competency in English composition. Unless the student has been exempted from English compsoition, at least one course in this subject will be required. Exemption is granted if the student earns an acceptable SAT Verbal score (score announced annually), or a score of 3 on the English Advanced Placement Test, or by satisfactory completion of a similar course at another institution. Students taking a course to satisfy this requirement may apply the credits toward the 30-hour General University Requirement but may not count these credits toward the satisfaction of the minimum 6-hour requirement in any of the three designated areas. Credit for such a course may be in addition to the 12-hour maximum in any area.

GENERAL EDUCATION REQUIREMENTS (OLD)

These requirements are applicable *only* to students whose first semester at the University of Maryland was prior to August 1973 and who choose to complete these General Education Requirements rather than the new General University requirements.

For students electing to satisfy the old General Education Requirements, the following specific courses may be used (course descriptions appear in the Consolidated Undergraduate Catalog). In addition, a student may (within the limits of his particular curriculum) satisfy a General Education requirement in each category with any designated course for which he is eligible by placement examination, department evaluation, etc. Additional information may be obtained from the Office of the Dean for Undergraduate Studies, Room 1115 Undergraduate Library (X 2530-2531).

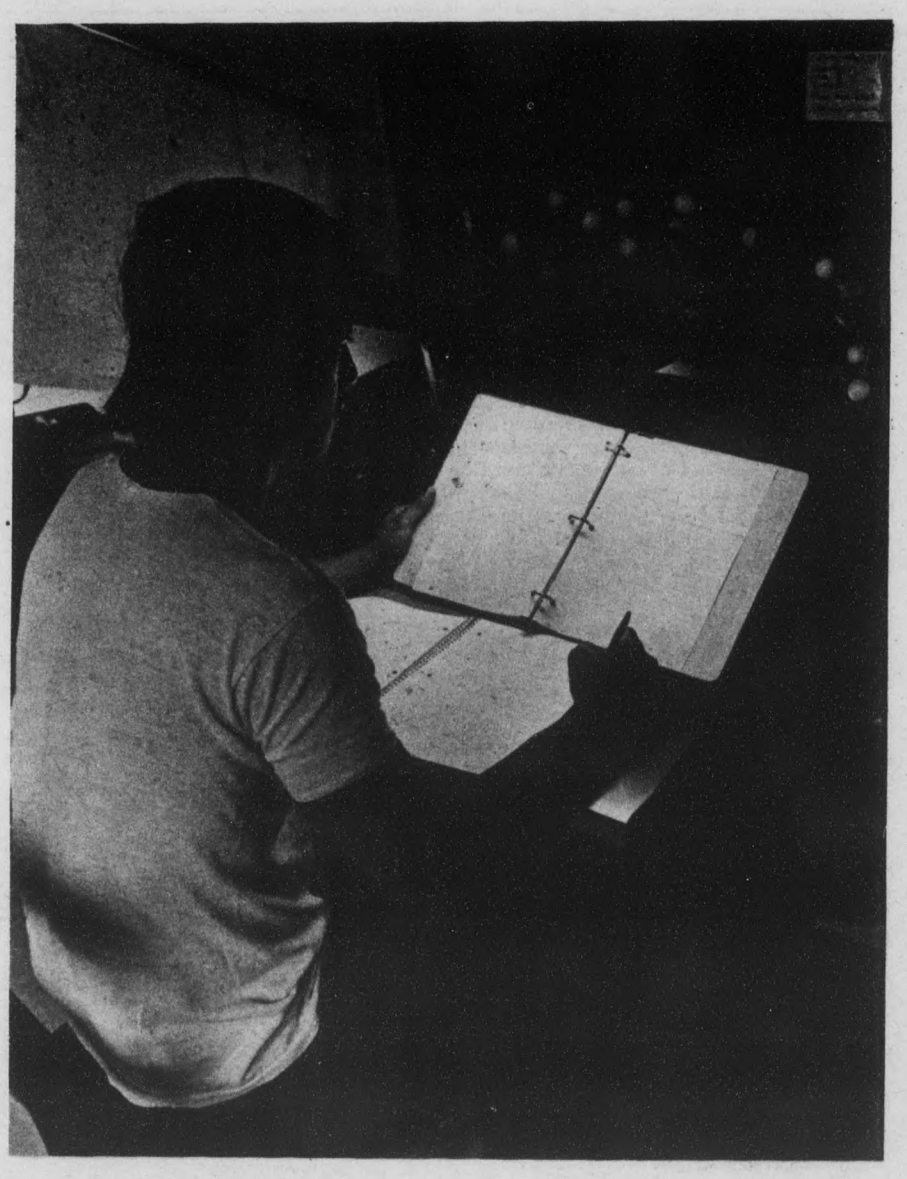
Students under the new University Requirements will receive credit toward graduation for all PHED courses.



MATH 001* FOLA 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

Math 001 fees are also discussed under "Billing Information — Other Fees" and "Refund Policy for Math 001."

IMPORTANT NOTICE
A&S Students

Effective with the Campus reorganization, July 1, 1973, the bulk of the student academic records which were formerly maintained by the Office of the Dean, College of Arts & Sciences (Room 1120, Francis Scott Key Hall) have been *transferred* to the office of the Division now administering those students' major departments. See below for the locations of the various Division offices. Students who have not yet declared a major, and those who have indicated a curricular choice (but no other major) in Pre-Dentistry, Pre-Law or Pre-Medicine have had their records sent to the General Undergraduate Advisement Office, Rm. 3151 Undergraduate Library. The records of students majoring in departments under the aegis of the Division of Arts and Humanities will remain in Rm. 1120, Francis Scott Key.

Students thus affected should go to the Office of the Provost of their Division or, where appropriate, to the General Undergraduate Advisement Office to transact such academic matters as: schedule adjustment (drop or add) after the stated deadlines; transfer credit evaluation; discussion of requirements for a degree; permission letters to take courses at another Campus or university; letters of recommendation, etc.

In all cases students who were in the College of Arts & Sciences at the time of the transition may continue seeking a degree from the College of Arts & Sciences or may change to a degree from the Division. To determine eligibility for either degree, students should consult their Divisional representative. Students should indicate their choice of degree when filing their applications for diplomas.

If questions arise concerning where your academic records are now located, please consult your Division Office or the General Undergraduate Advisement Office, Rm. 3151 Undergraduate Library, Ext. 2733 or 3040.

GENERAL REQUIREMENTS

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS (NEW)

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

I. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (see PASS-FAIL OPTION DEFINED).

Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences; Mathematical & Physical Sciences & Engineering.

Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences; Human and Community Resources.

Area C: 6-12 hours in the Division of Arts & Humanities.

In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.

II. Demonstration of competency in English composition. Unless the student has been exempted from English compsoition, at least one course in this subject will be required. Exemption is granted if the student earns an acceptable SAT Verbal score (score announced annually), or a score of 3 on the English Advanced Placement Test, or by satisfactory completion of a similar course at another institution. Students taking a course to satisfy this requirement may apply the credits toward the 30-hour General University Requirement but may not count these credits toward the satisfaction of the minimum 6-hour requirement in any of the three designated areas. Credit for such a course may be in addition to the 12-hour maximum in any area.

GENERAL EDUCATION REQUIREMENTS (OLD)

These requirements are applicable *only* to students whose first semester at the University of Maryland was prior to August 1973 and who choose to complete these General Education Requirements rather than the new General University requirements.

For students electing to satisfy the old General Education Requirements, the following specific courses may be used (course descriptions appear in the Consolidated Undergraduate Catalog). In addition, a student may (within the limits of his particular curriculum) satisfy a General Education requirement in each category with any designated course for which he is eligible by placement examination, department evaluation, etc. Additional information may be obtained from the Office of the Dean for Undergraduate Studies, Room 1115 Undergraduate Library (X 2530-2531).

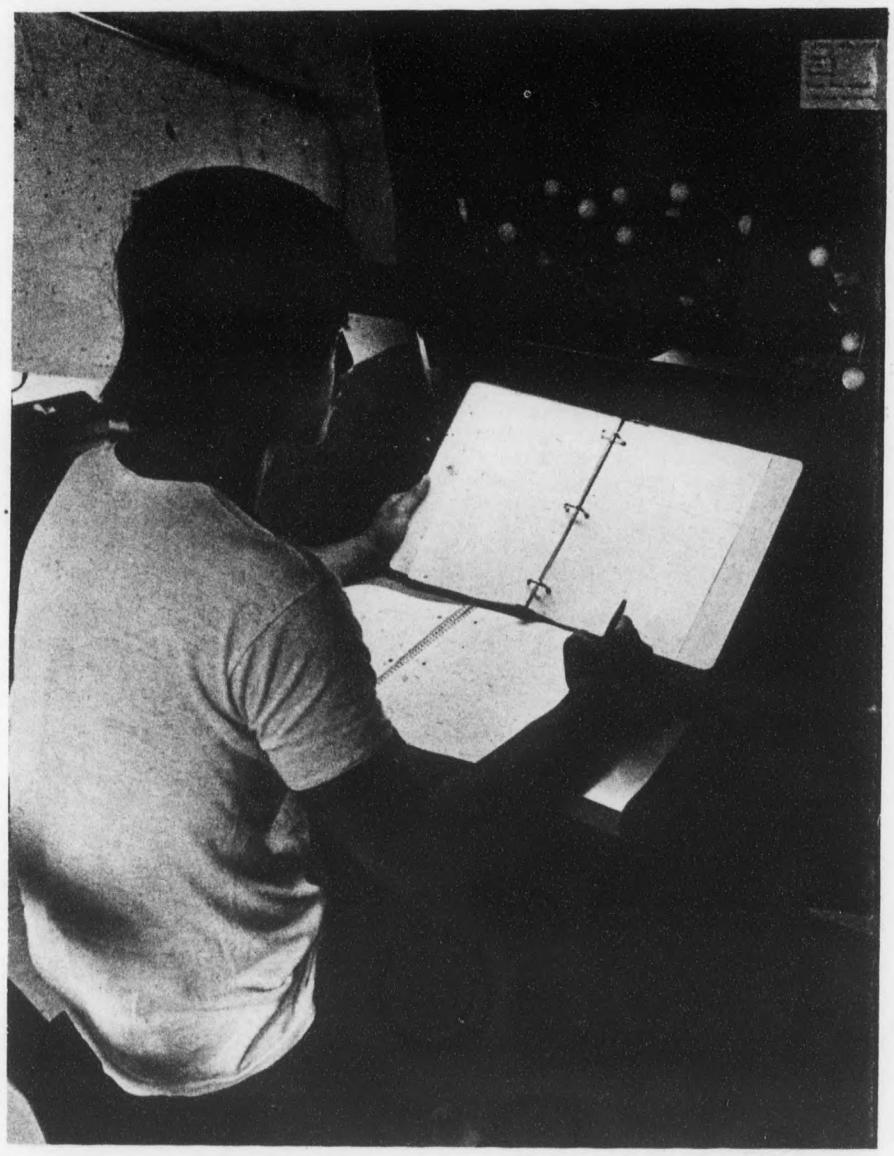
Two (2) physical activity courses, and one Health Education course (HLTH 105) are required of both men and women students.

If students under the old General Education Requirements now take a basic PHED course (100A — 177Z), they will receive credit toward graduation for that course only if it is in addition to their two required PHED courses.

Students under the new University Requirements will receive credit toward graduation for all PHED courses.



MATH 001* FOLA 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

Math 001 fees are also discussed under "Billing Information — Other Fees" and "Refund Policy for Math 001."

BACHELOR OF GENERAL STUDIES DEGREE PROGRAM

The Bachelor of General Studies degree, approved by the Board of Regents in 1972, differs from other current degrees in that it is a degree without a concentration in a specific discipline or department.

The BGS program permits the student to obtain an education in as broad a set of disciplines or thought patterns as are offered at the College Park Campus without insisting that he adhere to a previously defined curriculum with a departmental or divisional orientation.

No other University degree requirements, such as General Requirements, physical education, health, etc. will apply to the BGS.

Students who elect this program should specifically be aware that it is not designed to satisfy graduate school admission requirements or professional employment requirements. The very concept of the BGS is predicated on a broad ranging educational objective and not on the more specific requirements of graduate school and professional employment. It will be some time before the attitude of employers and graduate schools become clear toward the graduate of the BGS program. Students electing it must be aware of these uncertainties and accept the responsibilities.

Additional information may be obtained from Dr. Margaret Carthy in the Office of the Dean for Undergraduate Studies (telephone: 2530/31).

REQUIREMENTS

To receive a Bachelor of General Studies degree, a student must satisfy the following requirements:

1. *A minimum of 120 credits must be accumulated with a grade point average of at least 2.0 in all courses.*
2. *No more than 30 credits in any one department may be applied toward the required 120 credits.*
3. *The courses taken must be distributed over at least three divisions with a maximum of 60 credits in any one division counted toward the required 120 credits.*
4. *At least 45 credits must be taken at the upper level (courses numbered 300 or higher); a 2.0 average must be obtained in all upper level courses.*
5. *The student must be registered as only a Bachelor of General Studies major for at least the last 30 credits immediately preceding the awarding of the degree. A student who wishes to earn a second baccalaureate must satisfy all University requirements for the earning of two degrees.*
6. *The student pursuing the BGS program shall be advised by a faculty member either appointed by or acceptable to the Dean for Undergraduate Studies.*

THE INDIVIDUAL STUDIES PROGRAM

ADMISSION

The Individual Studies Program is open to students of the University of Maryland, College Park:

A. Who have a clearly defined desire to pursue a field of study which cannot reasonably be satisfied in an existing approved curriculum, *and*

B. Who have the ability to design, with faculty assistance, a sequence of formal and/or informal learning experiences, satisfactory completion of which is deemed adequate for awarding a Bachelor's degree.

Application for admission to the Individual Studies Program should be submitted to the Administrative Dean for Undergraduate Studies as early as possible in the student's undergraduate career. Normally the student should have successfully completed one semester of residence at College Park prior to submission of the application; however, in exceptional circumstances the student may petition the Dean for a waiver of this requirement. Admission to the Individual Studies Program must be officially approved prior to the final 30 semester hours equivalence of the proposed curriculum. Final approval of the proposed program will be dependent on the availability of a tutor competent and willing to supervise the program.

PROGRAM REQUIREMENTS

A. Students in the Individual Studies Program must meet the stated University requirements for awarding of a degree, namely:
   1. Completion of 120 academic credit hours with an average grade of "C" or better, and
   2. Satisfaction of the General University Requirements

B. The student, with the aid of an assigned faculty tutor, must prepare a prospectus of his complete undergraduate program designed to provide a curriculum consistent with the student's stated academic objectives. The completed prospectus is then submitted for approval to a committee consisting of the Dean for Undergraduate Studies or his representative, the tutor, and three professional faculty members. *This prospectus, when officially approved, is filed with the Administrative Dean for Undergraduate Studies and becomes the curriculum under which this student will earn his degree.*

   Determination as to whether the Bachelor of Arts or Bachelor of Science degree will be awarded will depend on the predominant subject matter content of the program approved.

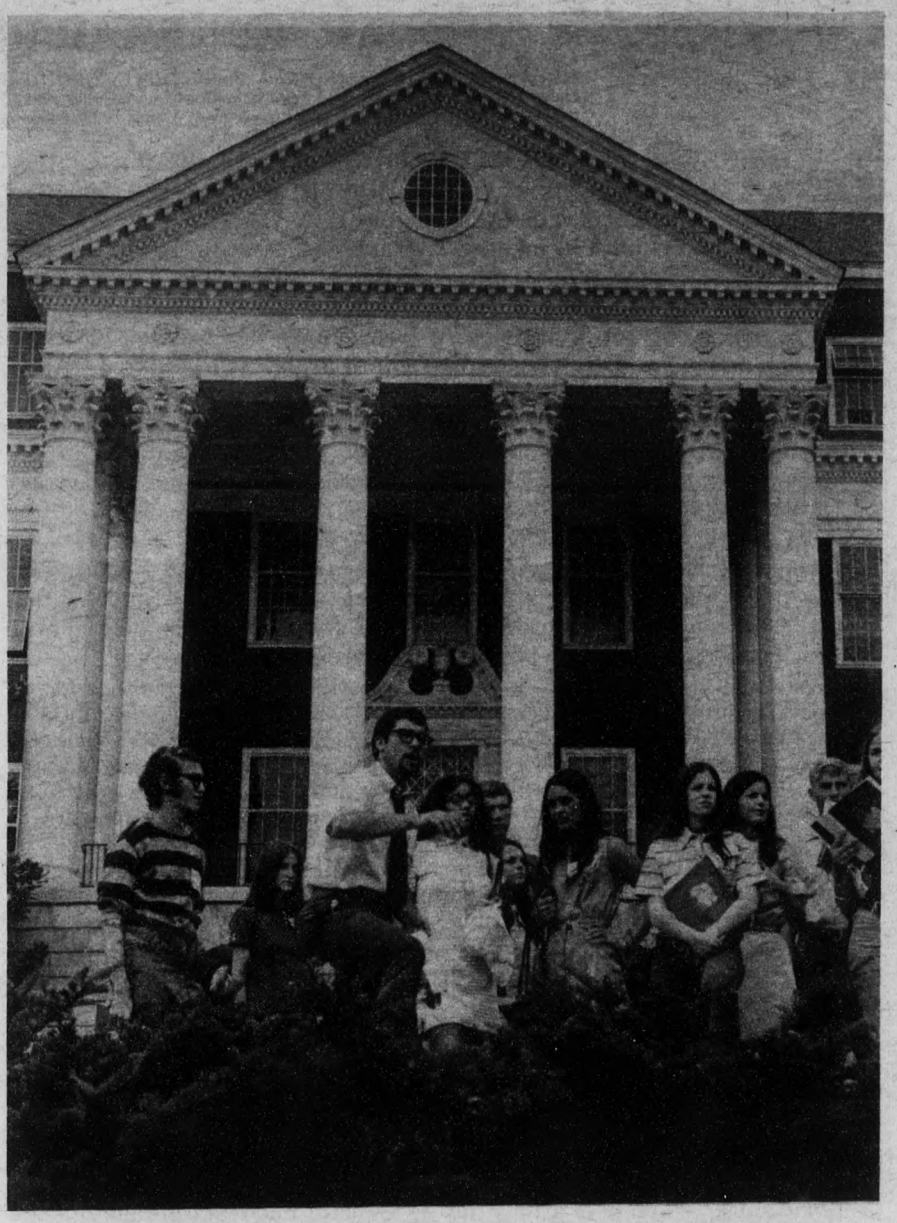
   Amendments to this curriculum may be initiated by the student at any time and when officially approved become an integral part of the curriculum.

C. The student's program must include at least 12 hours of formal course work numbered 300 or above, not including General University Requirements nor IVSP 309, Tutorial Report.

D. For each semester of full-time residence equivalence, the student must register for IVSP 309, Tutorial Report (1 credit hour). Requirements for the course will include a written analysis of progress toward completion of degree requirements. This report should be turned in to the tutor and discussed with the tutor in planning the next stages of work toward the degree.

E. A Bachelor's Paper, IVSP 319, is required of all students in the Individual Studies Program whose program includes 40% or more of informal educational experience (independent study, special problems, work internship, etc.) and is strongly recommended for all students in the program. This paper is to be completed in the student's final semester and approved by the tutor and committee prior to certification for the degree.

Students considering enrollment in the Individual Studies Program should consult the Dean for Undergraduate Studies (Room 1115 Undergraduate Library, Ext. 2530/2531) who will, if the student's enrollment in the program seems appropriate, help the student locate a suitable tutor.



FOREIGN LANGUAGE PLACEMENT

ARTS AND HUMANITIES REQUIREMENTS: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign language in the division, although he may elect to do so.
However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

FRENCH DEPARTMENT: Students who have had two or more units of high school French are required to take the Placement Exam, as a result of which they may be placed in French 101 *for credit,* French 103, French 104, or higher. Admission to French 102 is limited to those who have completed 101 at the University of Maryland, College Park. Students with less than two years of high school French or with a five-year gap in their French studies may take French 101 *for credit.* Transfer students with some college French should consult the department for placement. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain of their ability to take Spanish 104, or (2) they wish to be exempted from Spanish 104.
Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Spanish 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 104.

Students who feel uncertain of their ability to take Spanish 104 may choose to take Spanish 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the divisional language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

FOREIGN LANGUAGE PLACEMENT EXAM SCHEDULE

During the Fall 1975 semester there will be placement testing in Room 2101, Shoemaker Building at 3:00 p.m. on the second Friday of each month. To be admitted for testing, students must have a picture I.D.

Testing during Fall Registration is scheduled for Tuesday, August 26 at 4:00 p.m., Friday, August 29 at 9:00 a.m. and Tuesday, September 9 at 9:00 a.m. in Room 2101, Shoemaker Building. Bring a picture I.D. in order to be admitted.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE — With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to become familiar with the degree requirements indicated in the Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the General Undergraduate Advisement Office, Room 3151, Undergraduate Library, or call x3040 or x2733.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 19 sem. hrs.

Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration Materials.

GRADUATE — limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship — limited to 10 sem. hrs.

FULL-TIME STATUS DEFINED

Effective August 1973, official status (either full-time or part-time) for academic purposes will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE – Full-time – Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS with Teaching or Research Assistantship — Full-time — Registered for minimum of 24 graduate *units* at end of the Schedule Adjustment Period.

INTENTIONAL SECOND EXPOSURE

BACHELOR OF GENERAL STUDIES DEGREE PROGRAM

The Bachelor of General Studies degree, approved by the Board of Regents in 1972, differs from other current degrees in that it is a degree without a concentration in a specific discipline or department.

The BGS program permits the student to obtain an education in as broad a set of disciplines or thought patterns as are offered at the College Park Campus without insisting that he adhere to a previously defined curriculum with a departmental or divisional orientation.

No other University degree requirements, such as General Requirements, physical education, health, etc. will apply to the BGS.

Students who elect this program should specifically be aware that it is not designed to satisfy graduate school admission requirements or professional employment requirements. The very concept of the BGS is predicated on a broad ranging educational objective and not on the more specific requirements of graduate school and professional employment. It will be some time before the attitude of employers and graduate schools become clear toward the graduate of the BGS program. Students electing it must be aware of these uncertainties and accept the responsibilities.

Additional information may be obtained from Dr. Margaret Carthy in the Office of the Dean for Undergraduate Studies (telephone: 2530/31).

REQUIREMENTS

To receive a Bachelor of General Studies degree, a student must satisfy the following requirements:

1. *A minimum of 120 credits must be accumulated with a grade point average of at least 2.0 in all courses.*
2. *No more than 30 credits in any one department may be applied toward the required 120 credits.*
3. *The courses taken must be distributed over at least three divisions with a maximum of 60 credits in any one division counted toward the required 120 credits.*
4. *At least 45 credits must be taken at the upper level (courses numbered 300 or higher); a 2.0 average must be obtained in all upper level courses.*
5. *The student must be registered as only a Bachelor of General Studies major for at least the last 30 credits immediately preceding the awarding of the degree. A student who wishes to earn a second baccalaureate must satisfy all University requirements for the earning of two degrees.*
6. *The student pursuing the BGS program shall be advised by a faculty member either appointed by or acceptable to the Dean for Undergraduate Studies.*

THE INDIVIDUAL STUDIES PROGRAM

ADMISSION

The Individual Studies Program is open to students of the University of Maryland, College Park:

A. Who have a clearly defined desire to pursue a field of study which cannot reasonably be satisfied in an existing approved curriculum, *and*

B. Who have the ability to design, with faculty assistance, a sequence of formal and/or informal learning experiences, satisfactory completion of which is deemed adequate for awarding a Bachelor's degree.

Application for admission to the Individual Studies Program should be submitted to the Administrative Dean for Undergraduate Studies as early as possible in the student's undergraduate career. Normally the student should have successfully completed one semester of residence at College Park prior to submission of the application; however, in exceptional circumstances the student may petition the Dean for a waiver of this requirement. Admission to the Individual Studies Program must be officially approved prior to the final 30 semester hours equivalence of the proposed curriculum. Final approval of the proposed program will be dependent on the availability of a tutor competent and willing to supervise the program.

PROGRAM REQUIREMENTS

A. Students in the Individual Studies Program must meet the stated University requirements for awarding of a degree, namely:
   1. Completion of 120 academic credit hours with an average grade of "C" or better, and
   2. Satisfaction of the General University Requirements

B. The student, with the aid of an assigned faculty tutor, must prepare a prospectus of his complete undergraduate program designed to provide a curriculum consistent with the student's stated academic objectives. The completed prospectus is then submitted for approval to a committee consisting of the Dean for Undergraduate Studies or his representative, the tutor, and three professional faculty members. *This prospectus, when officially approved, is filed with the Administrative Dean for Undergraduate Studies and becomes the curriculum under which this student will earn his degree.*

   Determination as to whether the Bachelor of Arts or Bachelor of Science degree will be awarded will depend on the predominant subject matter content of the program approved.

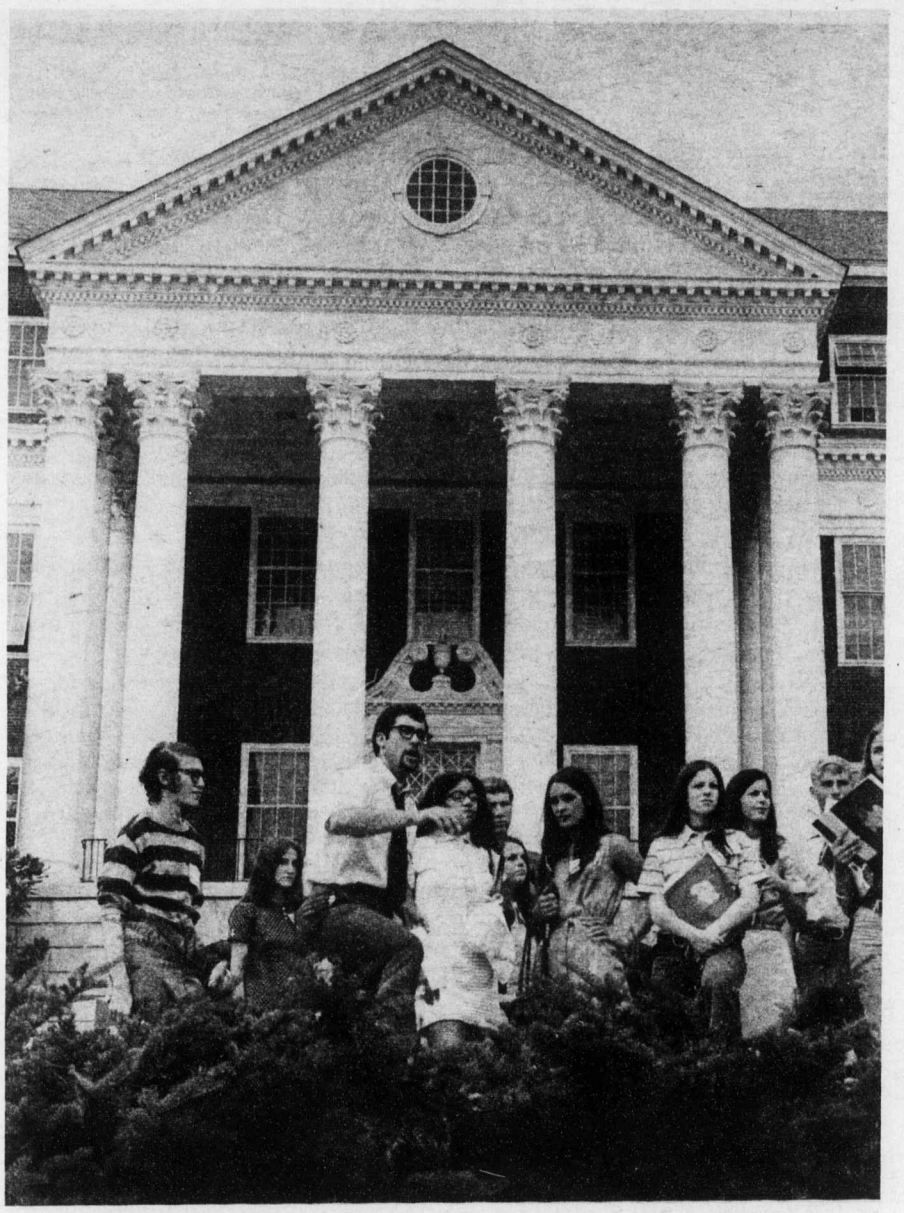
   Amendments to this curriculum may be initiated by the student at any time and when officially approved become an integral part of the curriculum.

C. The student's program must include at least 12 hours of formal course work numbered 300 or above, not including General University Requirements nor IVSP 309, Tutorial Report.

D. For each semester of full-time residence equivalence, the student must register for IVSP 309, Tutorial Report (1 credit hour). Requirements for the course will include a written analysis of progress toward completion of degree requirements. This report should be turned in to the tutor and discussed with the tutor in planning the next stages of work toward the degree.

E. A Bachelor's Paper, IVSP 319, is required of all students in the Individual Studies Program whose program includes 40% or more of informal educational experience (independent study, special problems, work internship, etc.) and is strongly recommended for all students in the program. This paper is to be completed in the student's final semester and approved by the tutor and committee prior to certification for the degree.

Students considering enrollment in the Individual Studies Program should consult the Dean for Undergraduate Studies (Room 1115 Undergraduate Library, Ext. 2530/2531) who will, if the student's enrollment in the program seems appropriate, help the student locate a suitable tutor.



FOREIGN LANGUAGE PLACEMENT

ARTS AND HUMANITIES REQUIREMENTS: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign language in the division, although he may elect to do so.
However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

FRENCH DEPARTMENT: Students who have had two or more units of high school French are required to take the Placement Exam, as a result of which they may be placed in French 101 *for credit*, French 103, French 104, or higher. Admission to French 102 is limited to those who have completed 101 at the University of Maryland, College Park. Students with less than two years of high school French or with a five-year gap in their French studies may take French 101 *for credit*. Transfer students with some college French should consult the department for placement. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain of their ability to take Spanish 104, or (2) they wish to be exempted from Spanish 104.
Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Spanish 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 104.

Students who feel uncertain of their ability to take Spanish 104 may choose to take Spanish 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the divisional language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

FOREIGN LANGUAGE PLACEMENT EXAM SCHEDULE

During the Fall 1975 semester there will be placement testing in Room 2101, Shoemaker Building at 3:00 p.m. on the second Friday of each month. To be admitted for testing, students must have a picture I.D.

Testing during Fall Registration is scheduled for Tuesday, August 26 at 4:00 p.m., Friday, August 29 at 9:00 a.m. and Tuesday, September 9 at 9:00 a.m. in Room 2101, Shoemaker Building. Bring a picture I.D. in order to be admitted.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE — With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to become familiar with the degree requirements indicated in the Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the General Undergraduate Advisement Office, Room 3151, Undergraduate Library, or call x3040 or x2733.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 19 sem. hrs.

Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration Materials.

GRADUATE — limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship — limited to 10 sem. hrs.

FULL-TIME STATUS DEFINED

Effective August 1973, official status (either full-time or part-time) for academic purposes will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE – Full-time – Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS with Teaching or Research Assistantship — Full-time — Registered for minimum of 24 graduate *units* at end of the Schedule Adjustment Period.

AMERICAN STUDIES PROGRAM

AMST 201 — INTRODUCTION TO AMERICAN STUDIES: Approaches the study of American culture by the examination of autobiographical writing and other personal accounts by various participants in our society. There will be a variety of perspectives offered in terms of the concerns, backgrounds and temporal settings of the authors. Among the primary concerns of the course will be the often conflicting relationships between the individual and his society, the manner in which he experiences American culture and expresses his attitudes towards it, and an attempt by the students themselves, by means of keeping their own journals, to explain the interaction between self and society.

AMST 298 — SELECTED TOPICS IN AMERICAN STUDIES: RADICALISM AND AMERICAN CULTURE: Investigates the diverse activities, philosophies and styles of radicalism and dissent in modern America. There will be some exploration of earlier twentieth century radical endeavors, but the course emphasis will be on recent and contemporary movements. Some of the areas of examination will be: political vs. cultural radicalism, radicalism as a demonstration of individual style and self-expression, in contrast to it as a collective effort to "overthrow the Establishment," the effect of radical activity in changing American society, and possible future directions of radicalism in the United States. The writings of various radical figures will be examined, along with those of several sympathetic and critical reporters, social analysts and visionaries.

AMST 298 — SELECTED TOPICS IN AMERICAN STUDIES: RACE, ENTHNICITY AND URBANIZATION: This course is designed to acquaint students with the phenomena of race and ethnicity in American society, and to show how these phenomena have shaped our cities. We will consider the importance of racial and ethnic loyalties in the personal lives of successive generations of urban dwellers, and the consequences of Amercia's ethnic diversity for political, social and economic institutions. Different racial and ethnic groups will be compared as migrants to the northern cities of the United States. In each case, we will look at the nature of the group's history and culture upon arrival in the cities, and the nature of the new environment into which it entered. Our primary concern will be to analyze the various ways in which racial and ethnic groups have responded to urban society, and the ways in which that society has responded to different racial and ethnic groups.

AMST 298 — SELECTED TOPICS IN AMERICAN STUDIES: WOMEN IN AMERICAN LITERATURE AND LIFE: An interdisciplinary examination of the role of women in American life as found primarily, although not exclusively, in traditional and popular literature. The course will relate some of the significant documents in the history of American feminism and some contemporary sociological material to portrayals of women in fiction, poetry, plays and the mass media. Among the areas to be covered will be adolescence, marriage and parenthood, single adulthood, work, the feminine mystique, beauty, sexuality and race. Classes will take a variety of forms, including lectures, and large and small discussion groups.

PHI BETA KAPPA

is a national honorary society in the liberal arts and sciences tradition. We believe that:

Our rapidly changing world needs people with breadth of understanding.

The best preparation for understanding is an education that includes humanities, social studies, and sciences beyond the introductory level and the minimum academic requirements.

Language and mathematics, as the tools by which knowledge is obtained and used, are still important.

Accordingly, we elect to membership juniors and seniors of high academic achievement whose program of studies includes these essential elements.

More detailed information on eligibility can be obtained by writing to Phi Beta Kappa, c/o Dept. of History, Campus.
